Continuing Education:

Information regarding Continuing Education hours will be available on the website soon!

**Successful conference completion is attending all sessions and completing the evaluation form

**There is no conflict of interest with planners, presenters, faculty, authors or content reviewers with any commercial interest

Conference Learning Objectives:

1. List three ways that children are impacted by disasters.
2. Identify three response initiatives to address the unique needs of children during and after a disaster
3. Describe the signs of stress in children and strategies to provide support for children after a crisis.
